## Story 1

The old ticket machines at Armidale Regional Airport have now been replaced by a new car parking app.

The new EasyPark app will be trialled for 12 months, and includes functionality to help users identify available parking spots, and means people can:

- pay for parking without the need for cash or physical payment at machines
- stop and start parking sessions, and
- extend parking time directly from their phone as needed

The app can be downloaded via the Apple App Store or Google Play.

Parking at the airport will continue to remain FREE for up to 2 hours.

## Story 2

Pathfinders will be hosting The Clothesline Project, a community event aimed at raising awareness and giving a voice to victims of gender - based violence. The event will take place during the 16 days of Activism Against Gender - Based Violence, offering a safe and therapeutic space for participants and community supporters to come together, share stories and stand in solidarity against violence.

The project is an interactive event where survivors of violence, and their supporters, are invited to express their emotions by decorating t - shirts. These t - shirts are then displayed on a public clothesline, symbolising the voices that can no longer remain silent.

Pathfinders Specialist Homelessness Services (SHS) will facilitate the events, creating a supportive and healing environment for participants.

The Armidale event will be held on Wednesday December 4, 2024, from 10am - 2pm at Legacy Hall (89 Faulkner Street Armidale).
